| 25-00516    | Property Damage | 300 block S Orchard | Subject kicked in the door at this residence in which he also resides.                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 25-00517    | Found Property  | 900 block N Taylor  | Subject reports he found an abandoned bicycle at Forest Park.                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 25-00518    | Drugs           | Jumpstart N         | Traffic stop was initiated, resulting in a probable cause search. During the investigation, the owner of the vehicle and front seat passenger approached the vehicle after being told not to by an officer. Subject slapped the officer's hand as the officer was giving him commands to back up. During an attempt to arrest the subject, he became actively resistive. Subject was apprehended and arrested for interference with LEO, possession of marijuana and drug paraphernalia. |

**CALLS FOR SERVICE**

| Call Type      | Location        | Officer(s) | Description                                                                                                                                                                                                                                |
|----------------|-----------------|------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| VIN Inspection | 128 N Vine      |            | Subject came in for a VIN inspection but did not have the proper documentation. He was referred to KHP.                                                                                                                                    |
| Welfare Check  | 400 block W Ash |            | Subject requested a welfare check on daughter's boyfriend after her daughter received a text from him telling her to "come here now." Officers spoke with his parents and concluded that he was upset about being punished by his parents. |

|                     |                               |                                                                                                                                                                                         |
|---------------------|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
